dhf 1-day ABBE Level 2 Award in Industrial & Garage Door Safety

dhf 1-day ABBE Level 2 Award in Automated Gate & Traffic Barrier Safety

- ✓ First theory qualifications that are available to the industry
- ✓ Formal qualification recognised by employers
- ✓ Supports pre qualifying tendering applications
- ✓ Complements the industry practical qualification – the NVQ Level 2 Door Systems Engineer - does not replace it
- ✓ Provides a competent workforce, better customer experience & evidence of level of knowledge
- ✓ All courses are still available as a non-accredited option to members and non-members. Available throughout the year across the UK.
